Vivitar ViviCam X52A 10.1MP Digital Camera (Blue)

Excellent 10.1MP resolution

Features 2.8" LCD

Great quality, user-friendly controls, and an affordable price define the X52A digital camera. A resolution of 10.1 Megapixels, together with its digital zoom allow you to capture every detail and produce clear, beautiful, 10.1MP photos. With 8 Megapixels you'll get even more of your photographic experience. You can even record video in 3.2MP resolution, also exceptionally easy to use thanks to its large 2.8" screen.

Win a trip to Las Vegas!

How to Play Heads & Tails
Simply flip a coin. The customer will win all Heads & Tails participation and hold their cash until an hour after their tail.

The customer will win \$10 a coin and determine whether the coin will be heads or tails.

Show heads, the cash is the winner and you receive the coin after 1 hour.

The game continues until the game is over.
